NEW BUSINESS

Prior to the presentations, Sarah brought up the discussion of Kristian Hartter failing to follow the timeline outlined in the art grant training that was part of the January meeting regarding packet pick up and questions due. Kristian picked up his packet on February 20 and the concern was the lack of time to review 22 packets and not getting questions answered. When asked if he felt prepared, he said yes. A vote was held as to whether he would be allowed to participate in the grant process and a majority vote was yes, he could participate. Kristian did not participate in the allocation meeting.
